Firstly I would like to thank the club for this invitation and my stewards who worked hard and kept things moving throughout the day. I thought the standard of dogs had improved over the last couple years and in some classes I was splitting hairs. Size has improved and the dogs I judged today had better bone and substance. There were some very nice youngsters which looks good for the future of our breed.

Junior Puppy Dog (5)

1. Dancasa Cute As A Button (Tiedemann) Lovely type, well made for shape and head proportions, nice size, good bone and pretty head and expression, moved round the ring very well keeping good topline and tail carriage. Liked him a lot, sure to have a bright future. **Best Puppy Dog**
2. Denham Dynamite Joe (Maddox) Lots to like about this puppy, although not as far forward in head as 1, he was well made in body, and once settled moved very well, good for shape and balance, head just need a little more time. **3. Krystal Born On The Fourth of July** (Torgersen) Nice type, pleasing head and eye, just bigger than I like, does not need to grow any more. Well-marked coat in nice condition, not as positive in movement as above. **4. Royalteez Cooper's Pride Eveningstar** (Marter/Gregory) Good for size although would like a shorter back, pretty in head shape with good eyes, not quite together on the move, little loose in front and close in rear.

Senior Puppy Dog (3)

1. Makyla King Of The Ring (Tyner) Ruby with good colour, good for size and balance, nice head and eye with good expression, moved well, although would like a better tail carriage and set, good turn of stifle. **2. Lynsfair Country Gentleman** (Hallsted) Black & tan with plenty of rich colour, shown in good coat and condition, large round dark eyes, pleasing head shape, tail a little proud, moved well in front, not so good in rear. **3. Welmforth Just Us Three** (Lasser) Difficult dog to access on the floor as he would not walk, has a cute little head and eye, and good for size, just needs training and some confidence.

Graduate Puppy Dog (2)

1. Orchardhill Tough Enough, JW (Venier) Blen with a well broken coat, loved his shape with a good front and rear angulation, good neck in to well-placed shoulders, well off for bone and substance, in good coat and condition, nice head with large dark eyes, moved very well, one I considered for top honours, liked him a lot. **2. Merseyport Magical Mystery Tour of Chadwick** (Eckersley) Nice type with a balanced outline, good head with soft gentle expression, large dark eyes, ears set well, just needs a little more finish to complete the picture, showed very well with a good temperament.

Open Dog (4)

1. Ch Charnell Cosmopolitan, JW (Herring) This was a very difficult class to judge, full of some very nice dogs, they just all varied in type and size, and all could change places another day. There was a lot to like about all 4 placings. I was splitting hairs on my final placings, each were of good quality and today I went for the well-marked blen with a lovely head, great eyes and a soft gentle expression, thought he was slightly better in construction with his well-placed shoulders, arched neck and good turn of stifle, presented a great outline standing, shown in good coat and nice condition, pleased to award him *Winners Dog, Reserve Best in Show, Best of Opposite Sex in Show*.
