

Cavaliers of the South
03/19/11, Richmond, VA
Judge: Brenda Martz (Brookhaven)

I want to thank Cavaliers of the South for inviting me to judge. The quality of the dogs was exceptional and the show site was lovely. I also want to thank Paula Ayers for ring stewarding for me and doing an exceptional job. A special thank you to everyone on the committee who work so hard to put on these shows. I also want to thank the exhibitors for bringing me such nice dogs to judge. I thought that the quality of the dogs was exceptionally good and there were several that could have won top honors. There were several young dogs that should have an exciting future. The eyes were really good on almost all the dogs, nice, round and dark. We do need to be aware of all the bad croups. I saw more bad croups than the last time I judged, but overall I think the dogs are improving.
