**Judge: Brenda Martz (Brookhaven)**

I want to thank the Cavalier King Charles Spaniel Club for inviting me to judge. The quality of the dogs were exceptional and the show site was lovely. I also want to thank Nikki Parente for ring stewarding for me and doing an excellent job. A special thank you to everyone on the committee who works so hard to put on these shows. I also want to thank the exhibitors for bringing me such nice dogs to judge. I thought that the quality of the dogs was exceptionally good and there were several that could have won top honors. There were several young dogs that should have an exciting future. The eyes were really good on almost all the dogs, nice, round and dark. We do need to continue to try to improve our croups and tailsets. Overall I was very pleased with the dogs and really had a lovely day judging them.
