WESLEY SCHIFFMAN, CROSSBOW CAVALIERS

I would like to thank the Cavaliers of the Midwest, and their Show Team, for putting on a Great Show considering the many obstacles they incurred because of the Corona Virus, making it so difficult to accomplish, but they pulled it off without a hitch. It was a small show but no way did it effect the quality of the dogs I judged, I so liked my winners today, I would have happily taken them home. I was very pleased and truly excited to find out that both my Winners & Reserve Winners dog I had judged as puppies in 2018, and how wonderful it was to be part of their new championships I had a great time, thank you, I hope you will enjoy my critique. I'm just telling you what I saw on the day.
