DOG CLASSES

JUNIOR PUPPY DOG (1)

1. BLACK DIAMOND HAPPY DANCE (Bennett)

Eight-month tri. Nice front and rear. Pretty, shiny coat. Still much a baby in attitude and will get better as he gains confidence.

GRADUATE PUPPY DOG (3)

1. CEDARCREEK CHANCES ARE AT CREEKSIDE (Mathies)

I've had the pleasure of judging this dog before and once again he did not disappoint. Mature. Pretty head. Nice front and rear. Good topline. Nice silky coat, laying properly. His over exuberant attitude does get in his way. He keeps telling us- hey look at me and how can we not. Once he settles he will own it.
