

**CAVALIERS OF THE NORTHEAST
08/16/19, BURLINGTON, VERMONT
PHILIP CARTHY, ARDGROVE**

I would like to thank the committee of Cavaliers of The Northeast for the invitation to judge at this very well run show. The hard-working committee went out of their to make sure we were looked after to the best. Such a beautiful part of the country to hold a show with breath taking scenery. We really enjoyed our stay. Nice seeing old friends and making new ones. A big thank you to the exhibitors for showing their dog under me. I had some quality dogs to go over and was happy with my winners. I had some really pretty headed dogs but unfortunately good rear ends were lacking. This is not just in the USA but I have seen in many countries that I have judged. Yes, Cavaliers are a head breed but you need good confirmation to propel the beautiful heads around the ring. Just some food for thought for future breeding programs.
