2/20/22, DALLAS, TX

TRACY FRY JACKSON, AMANTRA CAVALIERS, UK

Thank you for the invitation to judge which was originally planned for 2020. I enjoyed my visit to Texas, many thanks to everyone for their hospitality. I was very pleased with my final line ups and Winners. On the whole, I thought the bitches were stronger than the dogs.

TRACY JACKSON

DOGS

SENIOR PUPPY DOG (3)

1. **CHADWICK HOT PURSUIT AT HUDSONVIEW** (Glynn/Glynn) Well-marked blenheim dog with very nice make and shape. Pleasing head, flat skull, well set ears. Good bite, dark pigment, round dark eyes giving a sweet expression. A good size, well bodied and boned. Good neck and shoulders leading into a firm topline that he held moving and standing. Happy temperament, moving well both ways.

Pleased to award him BP and I found nothing to beat him for RWD. *BEST PUPPY IN SHOW & RESERVE WINNERS DOG*

2. **GRANASIL STRUDEL OF SUMARA** (Gentil) B/T, elegant light mover, floated around the ring. Flat silky coat with rich tans. Dark eyes, good ear leathers. Firm topline leading into short level back. A sweet boy. *BEST B/T IN SHOW.*

GRADUATE PUPPY DOG (2)

1. **MEADOWLAKE SWEET WILLIAM DIANTHUS** (Swanson) Tri boy of nice size with short level back held standing and moving. Pleasing head with bright tans. He could use his ears to better advantage. Well boned moved soundly but could have more drive behind. *BEST TRICOLOUR DOG.*

2. **BROOKHAVEN NUMBER NINE DREAM OF FINNICKYSKYE** (Utych/Utych) Richly marked blenheim in lovely coat. Moved out well around the ring but a tad long in back and tends to lose his topline on the move. Used his ears well, well boned. Needs more filling under his eye.

BRED BY EXHIBITOR DOG (2)

1. **FORESTCREEK MAJOR TOM** (Cline/Cline) Glamorous blenheim beautifully presented. Lovely topline standing and moving. Round dark eyes, good pigment, well boned. I would prefer a touch more muzzle. Moving well in profile around the ring but moving a touch close behind going away from me.

2. **CROWNHEIR IRISH BLESSING** (Fadel) Another glamorous boy, full of life with pleasing head, well used ears, correct muzzle, pigment a touch off. Good drive behind but lost his topline on the move and a bit proud of his tail.

JUNIOR AMERICAN BRED DOG. (2)

1. **BLACKFIRE ALL NIGHT LONG** (Weidig/Kennedy/McLaughlin/Kennedy) Well broken blenheim presented in good condition. Well made, good shape, moved out soundly holding his outline. Pleasing head with well used ears with good fringing. Nice round eye giving a good expression.

2. **CROSSBOW BALOO FROM THE JUNGLE AT BLUESTARA** (Brezine/Alvarez) Heavier marked blenheim in full silky coat. A larger type than 1, well boned moved well holding a firm topline. A touch longer than 1 and not so soft in expression.

3. **CHADWICK CHARISMATIC OF BLUEBONNET** (Vezina) Full headed Blenheim, a bit short in muzzle. Nice eye and pigment. Well boned, good ear leathers, full coat. Rather proud of his tail on the move which spoils his outline.

4. **MEADOWLAKE GIGGLES AND GRINS** (Swanson) Blenheim boy, rather overweight. Well presented, good coat and bone. Pleasing head with nice eye and good expression. Rather long cast.

SPECIAL LIMIT BLENHEIM DOG (1)

SPECIAL LIMIT B/T DOG (2)

1. **CANYONCREST AUGUST RENOIR** (DuRoss) B/T with nice head & eye with pleasing expression. Elegant free mover covering the ring easily. Coat rather unruly and could use a bit of work but I preferred his head, expression and movement.

Moving very well fore and aft, well boned. Masculine head with good bite, excellent pigment, full well fringed ears that were used to advantage. like a touch larger. He did all that was needed today and I was pleased to award him **WINNERS DOG & BEST IN SHOW.**

2. **CH BROOKHAVEN THE DREAM LIVES ON AT FINNICKYSKYE** (Utych/Utych) Smaller blenheim, cobby and well made. Moved soundly around the ring showing his firm backend. Typical head with large round eyes (could be a touch darker) nice expression. Presented well in good condition.

3. **CH LEGENDCREST FINNICKYSKYE DREAM CATCHER JW AW** (Utych/Utych) Well marked blenheim, in good coat, presented well. Level topline moving and standing. Pleasing head with well used ears. Expression not as gentle as above. Moving ok but was tending to throw a back leg on the move which detracted from the overall picture.³
