

**CAVALIERS OF THE NORTHEAST  
NOVEMBER 14<sup>TH</sup> 2021, YORK, PA  
PATRICK DEWAELE (FRANCE)**

I would like to thank the Cavaliers of the Northeast Club for allowing me to judge this event in York (PA) on November 14, 2021. I enjoyed every moment of this beautiful day that I will not forget. Special thanks to Susan Weeks, my steward, for guiding me throughout this day.

I had to decide between very pretty dogs. The overall quality was present for all the dogs presented. The presentation of the handlers, the grooming of the dogs, the general good mood made this day very pleasant. I had a lot of fun with you and your companions. I hope it was the same for you.

The quality of the Blenheim was fantastic, picking a winner in certain classes wasn't always easy for me.

I really liked the Tricolors, some of them have a very bright future on Dog show. I have no doubt about it.

As for wholecolor, the quality of the dogs presented under my judgments was average, however I greatly appreciated those who were designated Best Dog or Female in Ruby or Black and Tan.

With this message, I would like to thank all the exhibitors for their sportsmanship and their welcome. I very much appreciated this reception from you.

*Patrick Dewaele*
