

CKCSC NATIONAL

10/5/19, WOODLAND HILLS, CA

ALIX JAUFFRET, PASSERIPHANE CAVALIERS, FRANCE

My warmest thanks to the Cavalier King Charles Spaniel Club, USA committee for inviting me to judge the CKCSC-USA National Show 2019 at Woodland Hills, CA.

I feel deeply honored by this invitation and must say that I enjoyed every minute of the week-end. The area was beautiful and the ballroom looked magnificent with all the pictures of all the Cavalier Champions.

I was expecting a lot, but I was really impressed by the high quality of the dogs and bitches. When the open classes, dogs or bitches, entered the ring, I said to myself that I was so lucky to have to judge them but that it was going to be a hard job and it was. I was thrilled with my winners and reserve. They have all what we look for in the breed: lovely head, sweet expression, short coupled body, happy temperament, silky coat, perfect size, great movement. I fell in love with my winner bitches (all of them) and would have loved to take them all home with me, but as I am a ruby person, the ruby girls took my heart.

Huge congratulations and big thank you to Kathy Tegg who was such an expert and charming show-chair, for organizing this show to perfection and for making everything so easy for me. Once again, it has been a big pleasure to be with you.

Alix Jauffret
