12/7/19, ASHVILLE, SC

### RAY WADDINGTON, SPINDLEPOINT CAVALIERS, UK

I would like to thank the Cavaliers of the South show committee who helped to put the show together and make it so successful and I was delighted with the hospitality shown to my wife and I. I would also like to thank the officers on the day for their efficiency.

The politeness shown by the exhibitors both to myself and to the other exhibitors was remarkable and this contributed towards making my visit to judge your show such a pleasure; I enjoyed myself enormously.
