

**CAVALIERS OF THE SOUTH  
MAY 15, 2021 - ATLANTA, GA  
LEE GROGON, VANISTICA JAPANESE CHINS**

I wish to express my immense gratitude and thanks to the club for their invite to judge and to the exhibitors for allowing me the great pleasure of assessing your beautiful dogs. The hospitality, comradery and atmosphere was second to none. Thank you to my super steward Rachel for keeping the ring running so very smoothly. Overall, I believe the quality of Cavaliers was superb! Grooming and presentation was excellent and on the whole very respectful. Some classes I really wish I had more than one first place ribbon to award. I believe the quality in the female classes was particularly strong. I must make special mention of the younger bitch classes, the quality was outstanding. This can only give great hope for the future of the breed. I take my hat off to the US exhibitors and breeders. You are all doing a top-notch job preserving, promoting and protecting one of the worlds most treasured breeds.
