

**CAVALIERS OF THE NORTHEAST
08/21/21 DANVERS, MA
KAREN MILLS-HERON, JARON CAVALIERS**

The tireless show chairs paid attention to every detail and exhibitors presented their dogs beautifully. I did not see a single light or small eye and pigment was dark for all. Toplines were universally level and I saw only 3 gay tails. The entry was a pleasure to examine and deliberate over so many fine young dogs that were mostly under 2 years of age. I will enjoy watching them mature into glorious 4- and 7-year-olds. Thank you all for your lovely dogs and cheerful show manner. Thank you to the oft forgotten announcer and table record keepers who kept us informed and to the ever cheerful Jana who must have walked 10,000 steps.
