Las Vegas, NV 1/13/2022

Stephen Watts, Jamesbonny Cavaliers

On December 28th 2021 I was asked to judge POTY in Las Vegas, after a quick conversation with Sian my wife, we decided blow Covid, we are going for it. Flights, Covid Protocols etc, became less problematic as my fellow judge had already sorted his. Mark Sedgwick's help was essential and I take this opportunity to thank him.

To judge your countries lovely puppies can only be described as a honour, something I will always remember. I can honestly say if these are the Quality of Puppies are anything to go by the Future of Cavalier King Spaniels in USA is in safe hands.

I thank you for your invitation,

Stephen Watts
