

**CAVALIERS OF THE NORTHEAST
NOVEMBER 12, 2021, YORK, PENNSYLVANIA
BETH SWEIGART, AKC JUDGE**

First of all, I would like to thank the Cavaliers of the Northeast for inviting me to judge at their November specialties. It meant for a long but enjoyable day and there were some lovely Cavaliers there to assess. I must say the overall quality was quite good but there are still areas that need work to my mind especially rear movement in the breed as a whole can be troublesome. Mouths in general are much better than the last time I judge a specialty although we still have some issues. With regard to color, the standard calls for well broken up on a pearly white ground in both tri and Blenheim, yet we see many blanketed dogs winning at the highest level. If this is to be rewarded, then perhaps a change in the standard should be considered.
